

My Wishes Wallet Cards

Advance directives which include living wills and the designation of a healthcare surrogate are only useful to medical personnel if they can be found when needed. This wallet card will help your doctors and loved ones located your living will should you be unable to speak for yourself.

Instructions

1. Complete the information on the front of the card and cutout
2. Use the back blank side for any additional emergency contact information
3. You may want to laminate the card with clear tape
4. Fold and place in your wallet behind your driver's license or ID card

For more information on living wills and healthcare surrogates contact **Empath Choices for Care at 727-536-7364 | EmpathChoicesforCare.org**
